RESPONSE TO DRAWING REQUIREMENT IN NOTICE OF ALLOWANCE

Mail Stop: No FEE Response
 Commissioner for Patents
 P.O. Box 1450
 Alexandria, VA 22313-1450

Dear Sir:

In response to the Notice of Allowance dated 5/24/2006, and the Drawing Requirement set out on page 2 of that Notice of Allowance, please make the following remarks of record in the identified application.

The drawing requirement calls for the drawings to show an “impressing member” as recited in Claim 14. However, consideration of the specification as filed, at page 7, first full paragraph, will reveal that the impressing member 58, as well as the supporting member 56 are set out in the specification. Further, considering Figure 8 of the drawing Figures as filed, it is seen that these two elements are there illustrated in the drawing Figures.

Accordingly, early notification that the drawing requirement of the Notice of Allowance dated 5/24/2006 is withdrawn is respectfully requested.

The Examiner is invited to telephone the undersigned at the number set out below if such will further or expedite prosecution of this application.

Respectfully submitted,

Dated: 6/15/06
